The Heart of New Beginnings: Mommy & Baby Initiative

This year, Delicious Destinations proudly supports the Mommy & Baby Initiative at Ascension St. Vincent's. In Northeast Florida, the infant mortality rate has climbed to 7.5 deaths per 1,000 live births—well above the state average—with an 18.5% increase in infant deaths last year alone. Behind each number is a family forever changed.

Your support helps provide life-saving care from pregnancy through a baby's first year. From our Gold-certified Safe Sleep Program that reduces preventable deaths, to Brighter Beginnings education—linked to a 35% drop in infant mortality, to the Seton Center for Women & Infants, which offers hands-on support like breastfeeding guidance and postpartum care, and to life-saving equipment and NICU technology that create safe, healing environments for our tiniest patients—you're helping deliver compassionate, Catholic care to every family, regardless of ability to pay.

When you support the Mommy & Baby Initiative, you're not just funding programs—you're giving new life a strong start.

“We are making great progress. We've seen a 35% decrease in area infant mortality since home visiting and education programs first started over the last few decades. — Willie Roberts, Community Outreach Nurse Manager

Every dollar raised through Delicious Destinations creates lasting change:

- 35% drop in area infant mortality in program-supported communities
- Thousands of families educated on how to prevent tragic outcomes
- Advanced technology bringing NICU-level care to vulnerable newborns
- Catholic-centered compassion that nurtures body, mind, and spirit

Join Us in Making Miracles Happen

When you attend Delicious Destinations, you're not just enjoying world-class cuisine—you're giving our tiniest patients their best chance at a healthy start. Your sponsorship directly translates to lives saved and families strengthened in our community.

Please join us in creating healthier beginnings, one miracle at a time.
